

Application for Fire and Life Safety Plan Review

MATANUSKA-SUSITNA BOROUGH
 Department of Emergency Services, District 1
Central Mat-Su Fire Department
 101 West Swanson Avenue • Wasilla, Alaska 99654
 Phone (907) 373-8830 • Fax (907) 376-9252 • www.cmsfd.org

- ☞ Before beginning the construction, alteration, repair, or changing the occupancy of a building, a substantial land structure, or any structure regulated by the state fire marshal, plans and specifications...must be submitted...for examination and approval. (13 AAC 50.027(a))
- ☞ It is in violation of state law to begin any construction before a permit has been issued by this office. AS 18.70.010-AS 18.70.100-RS 06-054
- ☞ If any work for which a plan review and approval is required...has been started without first obtaining plan review and approval, a special processing plan review fee will be charged. The special processing plan review fee is \$100.00 for a first violation. The special processing plan review fee for a subsequent violation by the same person is an additional charge equal to the amount of the standard plan review fee for the project. 13AAC 50.027(8)

The MSB Assembly accepts a fire code deferment from the Alaska State Fire Marshal's office for the Wasilla Lakes FSA and the adoption of all current and future Alaska State Fire and Life Safety regulations and related plan review fee schedules. MS Resolution RS06 054.

<p>I certify that I have read and examined this application and know the same to be true and correct. I recognize that approval of plans submitted does not presume to give approval to oversights by the Central Mat-Su Fire Department nor grant authority to violate or cancel the provisions of any other state or local law regulating this occupancy. When the original approved plans are altered or modified in any way, they must be resubmitted and an additional plan check fee will be charged; the additional plan check rate will be \$95.00 per hour, minimum 2 hours = \$190.00 minimum fee.</p> <p>X _____</p> <p><input type="checkbox"/> Architect/Engineer/Designer <input type="checkbox"/> Contractor <input type="checkbox"/> Owner/Tenant</p>		Plan Review Checklist: (AS 08.48 Stamped Architectural or Engineered plans required) <input type="checkbox"/> DIMENSIONAL PLOT PLAN: Show distance to property lines and existing buildings. <input type="checkbox"/> ARCHITECTURAL DRAWINGS: Floor plans, building sections, interior and exterior wall details, door and hardware type. <input type="checkbox"/> MECHANICAL DRAWINGS: Hood and duct, heating/ventilation, fuel tank size and location. <input type="checkbox"/> ELECTRICAL DRAWINGS: Emergency lighting, fire alarm system, etc. <input type="checkbox"/> FIRE PROTECTION SYSTEM: Sprinklers, hood suppression, carbon monoxide detectors, location and classification of fire extinguishers, etc. <input type="checkbox"/> KNOX BOX: Must be mounted on building prior to final inspection.
