NOTES TO USER
Boundaries of the floodways were prepared at one-quarter
and one-half meter curve ordinates. The floodways were
plotted on the base map as a series of floodway contours.

This map was created to facilitate floodplain management
activities only. It may not show all areas that are subject
to flood risk. Refer to the Flood Insurance Rate Map for
the official floodplain data for this area.

For further information, please contact your local
floodplain management official.

NOTE: MAP AREA SHOWN ON THIS PANEL IS LOCATED WITHIN TOWNSHIP 15 NORTH, RANGE 5 WEST AND TOWNSHIP 20 NORTH, RANGE 5 WEST.
