

# Spring Creek Farm

Kids from Trailside Discovery Camp and cast of the national tv show AquaKids installed a rain garden at Spring Creek Farm, an Environmental Learning Center in Palmer. The rain garden will be featured on an episode of AquaKids.

Filming rain garden planting with AquaKids.

**Constructed: July 2012**

**Size: 160 sq. ft.**

**Total Cost: \$1110**

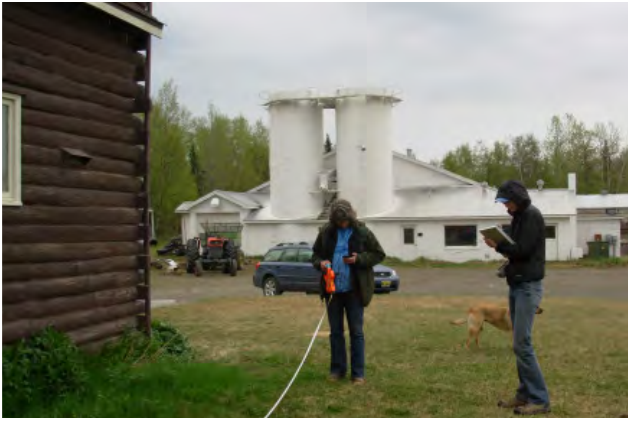

Excavation: \$860

Topsoil: \$60

Mulch: \$40

Plants: \$150

**Plant List:** Iris, Potentilla, Feather Reedgrass, Columbine, Moonshine Yarrow, Paprika Yarrow, Dianthis

**We buried a gutter extension in a rock trench to bring stormwater input away from the foundation and into the rain garden.**
