Have you heard the news?

1. Two Workshops are coming up in April for those 14 and older: **Zentangle® on April 8 and Wood Burning on April 20.** Watch for more details on flyers and pay a small materials fee early to reserve your place in the class.
2. Since the Iditarod Restart did not bring a crowd to Willow this year, the Library Raffle Drawing has been moved to July 4, when there will be a crowd! To see the **Gary Peterson framed print being raffled**, check with the library staff to see where it is being displayed at the time; they have raffle tickets to sell, too.
3. **Update on a New Library for Willow:** WLA members are visiting community groups to provide current information about this project. If a group you belong to has not yet had such an update, please request one. On **April 27 there will be a Borough Budget Hearing in the Willow Community Center.** This will be a good time to show and to solicit support for the New Willow Library and Community Center Upgrades Project. The Project Development Plan is online: <http://bit.ly/WillowPDP>
A print copy is available for viewing in the library.
4. Librarian Julie, her assistant, Joy, and the rest of the Library staff are busy planning for the **Summer Reading Program**, which will involve three age levels: teens, young children, and “itty bitties.” If you'd like to help, there are many tasks to share!
5. Is there a technology topic you'd like Joy to address at one of the **tech training sessions?** **Internet Safety**, such an important topic, is on for March 21. By then, we'll be thinking SPRING?
