The following corrections, changes, additions, deletions, revisions, and/or clarifications are hereby made a part of the Contract Documents. In case of conflicts between this Addendum and previously issued Documents, this Addendum shall take precedence. **The bidder must acknowledge receipt of this Addendum in the space provided on the Submittal Page**, failure to do so may subject the bidder to **disqualification**.

CLARIFICATION TO THE BID DOCUMENT:

- **Sheet J1/Traffic Control**
 - Note #2 is incorrect, a full closure of the site is allowed given the contractor provides and implements an adequate TCP.
 - The sign layout, as shown, is insufficient for a TCP and will require additional signage for a road closure setup. A specific TCP for the project will need to be developed and implemented by the contractor per the project specifications.
