Revised to: NA

The following corrections, changes, additions, deletions, revisions, and/or clarifications are hereby made a part of the Contract Documents. In case of conflicts between this Addendum and previously issued Documents, this Addendum shall take precedence. **The bidder must acknowledge receipt of this Addendum in the space provided on the Submittal Page**, failure to do so may subject the bidder to **disqualification**.

**CLARIFICATIONS RESULTING FROM BIDDER'S QUESTIONS:**

- Q: Will there be fence removal from roughly Sta 19+50 to 22+75?  
A: See C1, removal of structures and obstructions summary table for fence removal information.
- Q: Is there a bid item for excavation and geo [fabric] for drywell upgrades at Sta roughly 19+75?  
A: Excavation for detention basins is included in the common excavation item. The fabric is subsidiary to item 610 (4) Bone Rock Ditch Lining. See detention basin detail on sheet E2 (this also lists stationing as the basins are shown on the plans) and special provision section 610.
- Q: Will there be pavement removal bid item for roughly Sta 32+00  
A: There is a pavement removal item 202 (2) and the pavement at roughly ST 32+00 is included in that quantity. All pavement removal hatching shown on the plans (typical to the hatching at ST 32+00) is included in item 202 (2).
