Together, We Are Turning It Around!

*The main items diverted through the VCRS reuse store include corrugated cardboard and gaylord boxes, egg cartons, newspaper, packing peanuts (thirty gal. size bags), pallets, compost and miscellaneous other items. **Over 30 tons per month are directly diverted from local waste generators to a local manufacturer.

Our vision is to establish the greater Mat-Su Borough as a model zero landfill community.

Our mission is to operate a cutting edge Resource Recovery & Training Park while educating, training, and fostering partnerships to reduce, reuse, and recycle for the long term good of all.
