CHANGES TO THE SCOPE OF SERVICES:

1. Strike & remove reference to Food Services.

CLARIFICATIONS RESULTING FROM PROPOSER'S QUESTIONS:

1. Q: According to the Hall Crawler Manufacturer there is no gas service required for the training buildings. However, they can help facilitate props that can be added inside the buildings that utilize it. Enstar will need demand information to provide service to the structures. Please verify they need and demand for gas service to the Hall Crawlers.

A: No natural gas is needed for the Hall Crawler. There is no need for natural gas to be extended in this project.
2. Q: Would you confirm the A/E responsibilities detailed under the Scope of Services section of the RFP? Specifically, food service stands out.

A: Food Services is not a responsibility of the A/E for this contract.
