(c) All fires shall be reported immediately by calling 911. The State of Alaska Department of Natural Resources, Division of Forestry shall also be notified regardless of the size or apparent insignificance of the fire. The local number for the Division of Forestry's Fire Dispatch Office is (907) 892-6027.

(d) The BOROUGH may stop all or part of the logging operations of the PURCHASER during hazardous fire weather, as identified by the Alaska State Division of Forestry.

(e) The PURCHASER shall comply with all laws, regulations, and rules promulgated and enforced by the agency responsible for fire protection and suppression in the area.

Section 27: Inspections and Enforcement.

(a) The Borough Manager or his designee shall have access to the Contract Area. The BOROUGH may postpone inspections by the BOROUGH, for the purpose of determining compliance with the terms and conditions of this contract, if field conditions prevent a proper determination.

(b) When logging operations are in progress, the PURCHASER shall have a representative available who is authorized to receive, on behalf of the PURCHASER, notices and instructions given by the BOROUGH or State personnel. The PURCHASER's representative shall be authorized to take action on instructions or notices given by the BOROUGH or State personnel in regard to this contract.

(c) Failure of the BOROUGH to enforce any of the conditions of this contract shall not affect the validity of this contract or the right of the BOROUGH to enforce the conditions of the contract.

Section 28: Final Treatment.

(a) Roads, Bridges and Culverts - Prior to completion of the contract and at the direction of the BOROUGH, the PURCHASER may be required to put-to-bed or repair all roads within and accessing the contract area for the purpose of controlling runoff, preventing erosion, and limiting access onto reforested areas. Putting-to-bed may require grading, cross ditching, seeding, and removal of bridges and culverts.

(b) Landing Sites - Reserved

(c) Buildings, Improvements, Equipment, and Materials - The PURCHASER shall remove all buildings, improvements, equipment, and materials owned or controlled by the PURCHASER from the Contract Area. Improvements, equipment, materials, and other property that is not removed within 15 days of the contract completion, expiration, or termination, or within a time agreed upon in writing between the PURCHASER and the BOROUGH, may at the BOROUGH'S option become the property of the BOROUGH, and may be used or otherwise disposed of by the BOROUGH without obligation to the PURCHASER.

Section 29: Completion and Final Inspection.

At the completion of this contract the PURCHASER shall notify the BOROUGH when the Contract Area is ready for final inspection. Following such notification, the BOROUGH shall inspect the area and either approve the final site conditions or notify the PURCHASER of non-compliance. An inspection may be postponed for reasons preventing the BOROUGH from performing a proper inspection. No portion of the PURCHASER'S performance bond shall be refunded until the terms and conditions of the contract have been satisfied.
(a) Upon a satisfactory final site inspection and compliance with the terms and conditions of this contract the performance bond will be released or returned to the PURCHASER.

(b) Following a notice of non-compliance, the PURCHASER will have 20 days to bring the area into conformance and request an inspection. An inspection fee of fifty dollars ($50) will be charged for re-inspections.

(c) If the contract is not completed in accordance with its terms and conditions, the PURCHASER shall be liable to the BOROUGH for all losses and damages incurred by the BOROUGH. The minimum liability shall be the amount of the performance bond required to be posted, which shall be retained as liquidated damages for administrative and other costs to the BOROUGH.

Section 30: Suspension.

If the PURCHASER fails to comply with any of the provisions of this contract or the State Forest Practices Act, the BOROUGH shall have the authority to shut down this operation. Written notice explaining corrective measures required shall be submitted to the PURCHASER. If this corrective action is not taken within ten (10) days after written notice is served upon the PURCHASER, the BOROUGH may terminate the contract.

Section 31: Termination

(a) In the event PURCHASER breaches any of the provisions of this contract, the BOROUGH shall give the PURCHASER written notice of such breach by certified mail describing the breach and advising the PURCHASER of the date of termination. In the event the breach is not corrected within thirty (30) days of the mailing of such notice, the contract shall be considered terminated. An additional ten (10) days' time to correct the breach may be granted by the Borough Manager, if request for same is made in writing prior to the expiration of the first thirty-day period and good and sufficient reasons are set forth for such request.

(b) Termination of this contract under this section shall terminate all rights of the PURCHASER to cut or remove timber from the Contract Area or to enter on the Contract Area for purposes described in this contract. It shall not excuse the PURCHASER from liability for payment or work required of the PURCHASER. Termination of the contract by the BOROUGH shall not bar any other remedies the BOROUGH may have at law or in equity for breach of this contract.

(c) Nothing in this section shall be construed as relieving the PURCHASER from any obligation within this contract.

Section 32: Reservations.

The BOROUGH reserves the right to permit other compatible uses of lands in the CONTRACT AREA, provided the BOROUGH determines such uses will not unduly impair the PURCHASER'S operations under this contract.

Section 33: Causes Beyond Control.

In the event the PURCHASER is prevented from performing any obligation of this contract due to causes beyond their control, the non-performance shall not be deemed a breach of contract, or reason for cancellation. However, if and when such cause or causes cease to prevent performance, the PURCHASER shall exercise all reasonable diligence to resume and complete performance of the obligation with the
least possible delay. The phrase "cause or causes beyond control," as used in this section, includes but is not limited to any one or more of the following causes which are not attributable to the fault or negligence of the PURCHASER and which prevent the performance of the PURCHASER: fire, explosions, acts of God, war, orders or law of duly constituted public authorities, and other major uncontrollable and unavoidable events, all of which must actually prevent the PURCHASER from performing the terms of the contract as set forth herein. Events which are peculiar to the PURCHASER and would not prevent another purchaser from performing, including, but not limited to financial difficulties, are not causes beyond the control of the PURCHASER. The Borough will determine whether the event preventing the PURCHASER from performing is a cause beyond the PURCHASER’S control.

Section 34: Rights of Way.

Section 35: Notice

Any notice or demand, which under the terms of a contract or under any statute must be given or made by the parties thereto, shall be in writing, and be given or made by registered or certified mail, addressed to the other party at the address shown on the contract. However, either party may designate in writing such or other address to which such notice of demand shall thereafter be so given, made or mailed. A notice given hereunder shall be deemed received when deposited in an U.S. general or branch post office, enclosed in a registered or certified mail prepaid wrapper or envelope addressed as herein above provided. For the purposes of this contract, a notice given as provided herein, and addressed to the Matanuska-Susitna Borough, shall be deemed received when deposited in a general or branch post office by the addressee, and in like manner a notice from the Matanuska-Susitna Borough to a purchaser shall be deemed received by the PURCHASER when such notice is deposited in a general branch office by the BOROUGH.

(a) The authorized address for the BOROUGH is:

Land Management Division
350 East Dahlia Ave.
Palmer, Alaska 99645

(b) The authorized address for the PURCHASER is:

Section 36: Entry or Re-entry.

In the event that the contract is terminated, canceled or forfeited, or in the event that the demised lands, or any part thereof, should be abandoned by the PURCHASER during the contract term, the BOROUGH or its agents, servants or representative, may immediately or any time thereafter, enter or re-enter and resume possession of said lands or such part thereof, and remove all persons and property therefrom either by summary proceedings or by a suitable action or proceeding at law or equity without being liable for any damages therefore. No entry or re-entry by the BOROUGH shall be deemed an acceptance of a surrender of the contract.
Section 37: Re-sale.

In the event the contract should be terminated, canceled, forfeited or abandoned, the BOROUGH may sell any remaining timber within the Contract Area or on other BOROUGH lands as described in the operations plan, by appropriate disposal methods pursuant to the provisions of the BOROUGH code or other applicable regulations.

Section 38: Retention of Payments.

In the event that the contract is terminated because of any breach by the PURCHASER as herein provided, all payments, which were due or paid before the date of termination shall be retained as compensation under the agreement. The PURCHASER shall be liable for all amounts remaining unpaid as well as for damages.

Section 39: Delinquency.

(a) Any PURCHASER in arrears on a BOROUGH obligation, including, but not limited to tax, assessment, lease, sale, or rental payments, whether as an individual, or as a representative of a business, organization, firm, corporation, or partnership, shall not be awarded the contract if the delinquency is not cured within 10 calendar days of receipt of written notice sent by the BOROUGH of the delinquency.

(b) This contract can be terminated for cause if it is determined that the PURCHASER, whether the amounts owed are in the name of the PURCHASER as an individual, or as a representative of a business, organization, firm, corporation, or partnership, is in arrears of any taxation, lease or rental agreement that is due to the BOROUGH that is not remedied within 10 calendar days of notification by regular mail.

(c) An interest payment of ten percent (10%) per annum shall be assessed on all late payments due the BOROUGH.

Section 40: Written Waiver.

The receipt of payment by the BOROUGH, regardless of knowledge of any breach of the contract by the PURCHASER or of any default on the part of the PURCHASER in observance or performance of any of the conditions or covenants of the contract, shall not be deemed to be a waiver of any provision of the contract. No failure on the part of the BOROUGH to enforce any covenant or provision therein contained, nor any waiver of any right thereunder by the BOROUGH, unless in writing, shall discharge or invalidate such covenants or provisions or affect the right of the BOROUGH to enforce the same in the event of any subsequent breach or default. The receipt by the BOROUGH of any payment of any sum of money after notice of termination or after the termination of the contract for any reason, shall not reinstate, continue or extend the contract, nor shall it destroy or in any manner impair the efficacy of any such notice of termination unless the sole reason for the notice was nonpayment of money due and the payment fully satisfies the breach.

Section 41: Jurisdiction: Choice of Law.

Any civil action rising from this contract shall be brought in the Superior Court for the Third Judicial District of the State of Alaska at Palmer. The law of the State of Alaska shall govern the rights and obligations of the parties under this contract.
Section 42: Severability.

If any section or clause of this contract is held invalid by a court of competent jurisdiction, or is otherwise invalid under the law, the remainder of this contract shall remain in full force and effect.

Section 43: Integration.

This instrument and all appendices and amendments hereto embody the entire agreement of the parties. There are no promises, terms, conditions or obligations other than those contained herein; and this contract shall supersede all previous communications, representations or agreements, either oral or written, between the parties hereto. Any amendments to this contract shall be reduced to writing and executed by both the BOROUGH and the PURCHASER.

Section 44: Authority.

For purposes of the terms and conditions of this contract the Borough Manager or his designee shall act on behalf of the BOROUGH.

Section 45: Passage of Title.

All rights, title, and interest in or to any timber included in this contract shall remain in the BOROUGH until it has been paid for and removed from the Contract Area. The rights, title, and interest in or to any timber, which has been paid for but not removed from the Contract Area by the PURCHASER within the period of the contract or any extension thereof, shall vest in the BOROUGH.

Section 46: Modification of Contract.

Modification to this contract must be in writing and signed by the PURCHASER and the BOROUGH or their successors in interest.

Section 47: Assignment of Contract.

The acquisition or assumption by another party under an agreement with the PURCHASER of any right or obligation of PURCHASER under this contract is prohibited.

Section 48: Titles Not Controlling.

Titles of the sections in this contract are for reference only and are not part of the contract.

Section 49: Interpretation.

The contract shall be construed according to the fair intent of the language as a whole, not for or against either party. The general rule of construction of an agreement against the drafter shall not apply to this contract. The PURCHASER is advised to consult independent legal counsel regarding this contract.

Section 50: Borough Held Harmless.

The PURCHASER shall indemnify, hold harmless and defend the BOROUGH, its officers and employees, from and against any suit, action, claim, or liability arising out of any negligent act, error, or omission of the PURCHASER under this contract, except for the sole negligence or willful misconduct of the BOROUGH. "PURCHASER" and "BOROUGH" as used within this section include the employees, agents, or independent contractors or other contractors who are directly responsible, respectively, to each.

INSURANCE

It is specifically agreed between the parties executing this Agreement that it is not intended by any of the provisions of the Agreement to create in the public or any member thereof a third party benefit hereunder, or to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement.

It is highly recommended that the Lessee/Permittee/Manager confer with their respective insurance companies or brokers to determine if their insurance program complies with the Borough's Insurance requirements.

The Lessee/Permittee/Manager shall procure and maintain the following insurance:

A. Minimum Scope of Insurance Coverage shall be at least as broad as:

1. Insurance Services office form number CG 0001 (Edition 1/96) covering Commercial General Liability.
2. Insurance Services office form number CA 0001 (Edition 6/92) covering Automobile Liability, symbol 1 "any auto."
3. Worker’s Compensation insurance as required by the State of Alaska and Employers Liability Insurance.

B. Minimum Limits of Insurance

Lessee/Permittee/Manager shall maintain limits no less than:

1. General Liability:
   $1,000,000 combined single limit per occurrence for bodily injury, property damage, personal injury and advertising injury. The general aggregate limit shall be $1,000,000. The general aggregate limits shall apply separately to each project.

   General liability insurance shall be maintained in effect throughout the term of the Agreement.

   If the general liability insurance is written on a claim made form, the Lessee/Permittee/Manager shall provide insurance for a period of two years after termination or expiration of this Agreement. The policy(s) shall evidence a retroactive date, no later than the beginning of this Agreement.

2. Auto Liability:
   $1,000,000 combined single limit per accident for bodily injury and property damage.

3. Worker's Compensation and Employers Liability:

   Worker's Compensation shall be statutory as required by the State of Alaska. Employer's liability shall be endorsed to the following minimum limits:
Bodily injury by Accident – $100,000 each accident
Bodily injury by Disease – $100,000 each employee
Bodily injury by Disease – $500,000 policy limit

4. Excess Liability:

In order to meet the required minimum limits of insurance it is permissible for the Lessee/Permittee/Manager to combine an excess liability or umbrella policy with the general liability, auto liability or employer’s liability. In the instance where the Lessee/Permittee/Manager purchases an excess liability or umbrella policy the occurrence limit and the aggregate limit may be of the same amount.

C. Deductibles and Self-Insured Retention

Prior to work commencing, any deductible or self-insured retention must be declared and approved by the Borough. Lessee/Permittee/Manager may be requested to demonstrate how the deductible or self-insured retention will be funded in the event of a claim. At the option of the Borough, the Lessee/Permittee/Manager shall reduce or eliminate such deductibles or self-insured retention as respects the Borough, its officers, officials, employees and volunteers; or the Lessee/Permittee/Manager shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

D. Other Insurance Provisions

The policies are to contain, or be endorsed to contain, the following provisions:

1. General Liability, Automobile Liability

   a. The Borough, its Administrator, officers, officials, employees and volunteers shall be covered as additional insured as respects: liability arising out of activities performed by or on behalf of the Lessee/Permittee/Manager; products and completed operations of the Lessee/Permittee/Manager premises owned, occupied or used by the Lessee/Permittee/Manager or automobiles owned, leased, hired or borrowed by the Lessee/Permittee/Manager. The coverage shall contain no special limitation on the scope of protection afforded to the Borough, its Administrator, officers, officials, employees, and volunteers.

   b. The Lessee/Permittee/Manager's insurance coverage shall be primary insurance as respects the Borough, its Administrator, officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the Borough, it's Administrator, officers, officials, employees, and volunteers shall be excess of the Lessee/Permittee/Manager insurance and shall not contribute to it.

   c. The Lessee/Permittee/Manager insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
2. Worker's Compensation and Employer's Liability

The insurer shall agree to waive all rights of subrogation against the Borough, its Administrator, officers, officials, employees, and volunteers for losses arising from work performed by the Lessee/Permittee/Manager or any subcontractor of the Lessee/Permittee/Manager in relation to this Agreement.

3. All Insurance

Each insurance policy required by this Agreement shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party, reduced in coverage or in limits except after 30 days’ prior written notice for nonpayment of premium or fraud on the part of the Lessee/Permittee/Manager or 60 days’ prior written notice for any other reason by certified mail, return receipt requested, has been given to the Borough. Such notice shall be mailed by the Lessee/Permittee/Manager to the attention of the Borough's Land Management Officer.

E. Acceptability of Insurers

Insurance is to be placed with insurers with a Best's rating of no less than A-VII.

F. Verification of Coverage

Lessee/Permittee/Manager shall furnish the Borough with certificates of insurance and with certified copies of all endorsements effecting coverage required by this clause. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates are to be on forms acceptable to the Borough. All certificates are to be received and approved by the Borough before work commences. The Borough reserves the rights to require complete, certified copies of all required insurance policies, at any time.

G. Subcontractors and Sub Lessee’s

Lessee/Permittee/Manager shall include all subcontractors and sub lessees as insured under its policies or shall furnish separate certificates and endorsements for each subcontractor and sub lessees. All coverage for subcontractors and sub lessees shall be subject to all requirements stated herein.

H. Lapse in Insurance Coverage

A lapse in insurance coverage, any change that restricts, reduces insurance provided, or changes name of insured without Borough approval is a material breach of this agreement, which shall result in immediate termination of the agreement.
